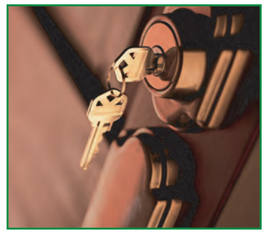
O'Brien Realty
THE *Best* OF SOUTHERN MARYLAND

A Strong Foundation

Michael O'Brien founded O'Brien Realty in 1980 and begun building the largest, most successful independent company in the southern Maryland area. He is a graduate of the Realtors Institute (GRI) and is a Certified Residential Broker (CRB). In just five years our company was awarded the prestigious honor of being one of the top "100 firms" nationally. O'Brien Realty continues it's tradition as the leading brokerage firm in Southern Maryland. Over the last 20 years our company has enjoyed a broker relationship with more award winning associates than any other real estate company in the tri-county area. We owe our success to the many people affiliated with our firm. Our 97% customer satisfaction record is a confident reflection of our commitment to our clients.



Mission Statement

We are committed to treat all of our customers and clients as family and to do our very best to make your real estate transaction as smooth and effortless as possible and at times even fun.

We promise to deliver all of our services, including those of our affiliated title – mortgage – relocation – home protection – companies with an unequalled level of enthusiasm.

Commercial Division

O'Brien Realty Commercial Investment Division was formed in 1987. In 1990, operations in Calvert County were introduced. This division has been staffed with competent commercial sales and leasing professionals who have combined experience factor of over sixty years.

The O'Brien Realty Commercial Investment Division is a full service company with specialization in sales, leasing, property management, development, and Homeowner's Association Management. A listing of past and present clients serviced by the division is available upon request.
